Dear Hiring Manager,

I am thrilled to apply for the Product Owner position at Nets. With my strong analytical skills, attention to detail, problem-solving abilities, adaptability, and enthusiasm, I am confident in my ability to contribute to the company's success. With a diverse background in finance and analysis, along with a genuine passion for technology and data, I strongly believe in my ability to quickly grasp complex concepts and make valuable contributions to the Nets team.

Throughout my professional journey, I have gained extensive experience in various roles, including account management, client relationship building, cost-saving analysis, financial advisory, data analysis, and operational efficiency. My strong analytical skills, coupled with my ability to solve problems and adapt to dynamic environments, have consistently enabled me to excel under high-pressure situations. Additionally, my attention to detail and effective time management skills ensure accuracy and efficiency in my work. I am actively expanding my knowledge in Power BI, SQL, and Python, and I am committed to staying updated with the latest developments in these areas. Furthermore, I am open to providing further details about my career decisions during a personal interview, if desired.

Having lived in Ukraine and Austria (2019 - 2021) before relocating to Norway in January 2022, I possess a deep appreciation for diverse cultures and perspectives. This diverse background has equipped me with the ability to effectively communicate with individuals from various backgrounds and establish trusted relationships. In addition to my professional experience, I have volunteered at the Embassy of Ukraine in the Kingdom of Norway, further refining my strong organizational and analytical skills. Additionally, I have assisted in translating from English to Ukrainian for the Historical Museum, honing my language skills and attention to detail.

As a holder of a residence card in Norway, I am genuinely excited about the opportunity join an open and sharing Nets' community. The prospect of converting complex data into valuable insights, develop my expertise and aim higher as I am work, resonates deeply with my personality and passion for analytics and visualization. I am eager to leverage my enthusiasm, skills and knowledge to power an easier tomorrow for all of us.

Thank you for considering my application. I would welcome the opportunity to discuss my qualifications further with you.

Sincerely,

Anna Goetz
